Tiedot

Tikkula is a former match factory built in 1920 and fully renovated into an office building in 1998.

The property offers shared facilities for tenants.

Currently, the building houses several tenants from various industries.

Versatile ground-floor business premises available!

Approximately **300 m² of unique business space** is available in Tikkula’s beautiful historic brick

building. Located on the ground floor, the premises feature large industrial-style windows and offer an impressive and inviting setting for a company looking for character and a distinctive atmosphere.

The versatile space is suitable for a variety of uses, including **offices, customer service, a showroom or a studio**. The unique setting, abundant natural light and easy accessibility make it an attractive option for many different businesses.

The property offers **ample parking** for both customers and staff.

Come and explore the premises and Tikkula’s unique surroundings!
